Resources for  
Substance Abuse  
and Mental Health Services  
in and around  
Morgan County, WV

This brochure was made possible by the Healing Taskforce of the Morgan County Partnership. The Morgan County Partnership is a coalition of local individuals and organizations that are working together to provide our young people the support and skills they need to be safe, healthy and positive members of our community.

The Morgan County Partnership is funded in part by a SPF SIG Prevention Implementation Grant from the WV Governor's Office and the WV Partnership to Promote Community Well-Being. The grant is made possible by the State of West Virginia's receipt of a federal Strategic Prevention Framework State Incentive Grant (SPF SIG) from the U.S. Center for Substance Abuse Prevention. The Morgan County Commission acts as the fiscal agent for the Morgan County Partnership.
